

# Samudrala Naga Rakesh

Associate Software Developer

Phone No: 8688387853 Email Id: samudralarakesh2003@gmail.com Address: Bengaluru, INDIA

I am a passionate and driven software developer with a strong foundation in **Java** and hands-on exposure to **web development**. My journey began with a semester internship in web development, followed by professional training in **SAP ABAP** at Accenture, where I gained insight into enterprise applications. I am currently sharpening my expertise in **Data Structures and Algorithms (DSA)** using Java, while also building projects to strengthen my web development skills. Curious, adaptable, and committed to continuous learning, I aim to contribute innovative solutions to real-world problems while growing into a well-rounded **software engineer**.

## PROFESSIONAL SUMMARY

- Junior software developer with experience in enterprise applications, trained in **SAP ABAP** at Accenture and academic exposure in **web development**.
- Proficient in **Java** with strong focus on **Data Structures and Algorithms (DSA) in Java** for problem-solving and coding efficiency.
- Hands-on experience in building **web applications** during internship and personal projects, with interest in **full-stack development**.
- Enthusiastic, adaptable, and committed to continuous learning, seeking to contribute to impactful software solutions in a dynamic organization.
